

6 October 1958

Dear Sir:

Subject: Contract HF-EN-590
Final Patent Report

As required by Clause No. 13 of the subject contract, this is intended to be a final patent report covering the work accomplished.

This is to advise you that all creative work has been completed and there were no subject inventions thereunder. We have not placed any sub-contracts for Research and Development under which subject inventions would have been accomplished.

We have furnished you previously a royalty report indicating that no royalties in excess of \$250 have been or are to be paid.
